4. Page module

PROGRAM APLIKASI MANAJEMEN PROYEK PADA PT. FUSI SOLUSI TRANSFORMASI

The screenshot shows a web interface for a project management application. At the top, there's a breadcrumb trail: "Project / nama project baru / test module dua". Below this, the title "test module dua" is displayed. A summary bar shows: "Progress by dandi rahmawan edit", "Created date 28 July 2019 01:35:15 AM", "Update by admin", and "Update date 28 July 2019 01:35:15 AM". There are three icons: "Edit Module" (blue), "Docs & Files" (orange), and "Bugs List" (green). The main section is titled "Data Module" and contains a form with a "Name" field (containing "test module dua"), a "Description" text area, and a "User" field (containing "dandi rahmawan edit - dandi@mail.com" with an "Edit" button).

Form ini untuk melakukan input data modul yang dikerjakan tiap-tiap karyawan yang mendapat tugas proyek
